as well as sweet spices.
Zesty finish.

Very mild and dry spring
Fresh summer

August 24th-31st

Supreme of roasted
guinea fowl

2011 MILLESIME CHRONICLE

At the estate, the harvest began on August 24th, an early collect due to an extraordinarily hot, dry and sunny spring. Fortunately, the summer was interspersed with a few cool and rainy spells, which resulted in both juicy and mature grapes. Our "PASSION 2011" is fresh, fruity and subtly spiced. It will be the perfect companion for evenings with friends.
